ABSTRACT

Designed for elementary and secondary English and language arts teachers, this book provides 74 lists for developing instructional materials and planning lessons. The book also includes 89 practical activities and reproducible line master worksheets that motivate students to simultaneously improve writing skills, word usage, and vocabulary. For quick and easy access, all of the lists and activities in the book are organized into six sections and individually printed in a format that can be photocopied as many times as required for individual or group instruction. Sections of the book are: (1) Special Words and Word Groups; (2) Nonfiction Writing; (3) Fiction Writing; (4) Writing Style; (5) Checklists; and (6) Reference Lists. (RS)
